

Have you completed your Work Comp 101?

Have you ever wondered how Workers' Compensation insurance works?
Do you know what forms need to be completed?

Have you ever been unsure of where or when to report a claim?

Shomer's Work Comp 101 will answer all these questions and more!

In the presentation, you will learn:

- What workers' compensation is
- How to correctly and effectively report a claim
- California rules and timelines
- How to establish return to work and modified duty programs
- How to avoid litigation and fraud

The best way to reduce the cost of workers' compensation claims
is to know how to react when they arise!
